Is it the truth?
Is it fair to all concerned?
Will it build goodwill and better friendships?
Will it be beneficial to all concerned?

Goochland will not hold its regular meeting on Friday, July 25, so please consider if you will need a make up.

Road Clean-Up: The next Innsbrook Rotary Road Clean-Up is July 26. We will meet at the Starbucks on the corner of Broad Street and Cox Road at 9:00 a.m. Please feel free to bring your families. Please let Wes York know if you are planning to participate.

Pro Nino Sponsorships: It is time to renew the education sponsorships for children at Pro Nino in Honduras. The cost is \$160, which covers an entire year of education. Innsbrook Rotary Hosts a Visiting GSE Team in September

Innsbrook Rotary will be hosting the visiting GSE team September 26-28. We need two (2) Rotarians to host two (2) GSE team members each. These two Rotarians will be helping us transport the GSE team members during their brief stay with us. This includes helping us pick them up from the airport when they arrive on September 25 and transporting them to the next host club on Monday, 9/29 (note, we usually meet the other club half way at a place like Williamsburg). Contact Jack Jaeger for more information.

News from Rotary International

Korean March Promotes Rotary

"The march began in the middle of a hot summer. Rain or shine, we walked and were greeted by Rotarians with a great deal of enthusiasm," Baek said. "Their enthusiasm is the driving force of District 3630."

District Governor Kwang Heum Baek wasn't too proud to peel off his sock and show his blisters after he and more than 5,000 Rotarians trekked through Gyeongsangbuk-do Province in Korea to promote Rotary.

A resounding success, the effort drew new club members, raised money, and generated positive press coverage for Rotary.

Rotarians in District 3630 marched relay-style through the province every weekend from July through December 2007. Baek, the district's 2007-08 governor, was one of only 11 Rotarians who walked the entire 374 miles.

Along the route, participants donated their time, money, and resources to communities in need, providing free medical care, coordinating blood drives, and raising money for scholarships.
